(Definition: Shows judged on Group System - Refer to Regulation 27B.)

Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best in Group and Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed, Best in Group and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively.

#### a. Championship Shows Judged on the Group System

- 1) **Best Puppy in Breed:** A Best Puppy must be declared in each breed from puppies entered in the breed classes.
  - 2) **Best Puppy in Group:** From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended. Best Puppy in Group and subsequent Puppy Group placings must be selected from:-
    - a) Those puppies declared Best Puppy in Breed provided that they are unbeaten by any other puppy.
    - b) The puppy declared Best Puppy from the Any Variety Not Separately Classified classes in each group or on each day provided it is unbeaten by any other puppy.
  - 3) **Best Puppy in Show:** From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended. Best Puppy in Show must be selected from the Best Puppy in Group winners provided they are unbeaten by any other puppy.
- b. **Withdrawal from other Competition:** Puppies which become eligible for Best Puppy in Group and Best Puppy in Show may be withdrawn from all other competition, other than breed classes and Best Puppy in Breed, prior to the competition for Best Puppy in Group and Best Puppy in Show as appropriate, in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Group or Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. Puppies may be withdrawn from Any Variety Classes when judged before Breed Classes.
- c. **Proviso:** For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.

12. **Best in Show: From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended.**

The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show.

Definition of a Category 3 Breed. A breed from time to time designated by the General Committee as requiring particular monitoring by reason of visible condition(s) which may cause health or welfare concerns. The list of designated Category 3 Breeds is kept under regular review.

#### a. Shows Judged on the Group System

(Definition: Shows judged on the Group System includes classes for breeds within more than one Group, as defined in Kennel Club Regulation B(A); and requires a judge to declare a Best of each Group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show.)

- 1) **Best of Breed:** Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.

**NOTE:** The Best of Breed/Best Any Variety Not Separately Classified award relevant to a Category 3 Breed will not be confirmed until the dog has passed an examination by the General and Group Championship Show Veterinary Surgeon.

- 2) **Best of Group:** From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended. Best of Group and subsequent Group placings must be selected from:-

- a) The Best of Breed winners in each group provided that they are unbeaten winning dogs.
- b) The best unbeaten winning dog from the Any Variety Not Separately Classified classes in each group or on each day.  
**NOTE:** The dog declared Best of Breed/Best Any Variety Not Separately Classified from a breed designated by the Kennel Club as a Category 3 Breed is not eligible to compete in the Group competition unless it has passed an examination by the Show's Veterinary Surgeon. If the dog fails to pass the examination it is ineligible to compete in the relevant Group.
- 3) **Best in Show:** From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended. Best in Show must be selected from the Best of Group winners provided they are unbeaten. Reserve Best in Show must be selected from the remaining Group winners following the selection of Best in Show.
- b. **Withdrawal from other Competition:** Dogs which become eligible for Best of Group and Best in Show maybe withdrawn from all other competition other than breed classes and Best of Breed prior to the competition for Best of Group or Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best of Group or Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Dogs may be withdrawn from Any Variety Classes when judged before Breed Classes.
- c. **Proviso:** For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
16. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
17. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press if possible.
20. **BENCHING:** All dogs will be benched alphabetically within their breeds. Dogs must be present on their benches at all times except a) when being judged; b) when being prepared for exhibition and/or being exercised for a period not exceeding 30 minutes. Dogs may be removed from their benches by order of the Veterinary Surgeon or Show Management.
21. **RECEIPT OF ENTRIES:** No acknowledgement of receipt of entries will be made unless a stamped addressed postcard in enclosed with entries.
22. **REFUND OF FEES:** Under no circumstances will entry fees be refunded once entries are received. The Association may, entirely at the discretion of the Committee and at any time, alter the stated show venue or abandon the show. In the case of venue alteration no refund of entry fees shall be made, regardless of when notice of change of venue is given. In the case of abandonment a full credit of the entry fees received from the exhibitor will be allowed against fees due for the following year's entry, but no refund of fees shall be made.
23. **RETURN OF ENTRIES:** Exhibitors are asked to note that cheques etc. sent to cover entry fees must at least be for the correct amount and must be in order for immediate payment. Those which are not so for any reason whatsoever (including technical irregularities) will not be accepted and entries therewith will be returned.
24. **ADDITIONAL CHARGES:** An administration charge of £2.00 will be levied against the owner for any Entry Fees and/or Entry Forms which have to be returned to the exhibitor for correction or amendment. There will be a charge of £10.00 made to the exhibitor for any cheques/credit card payments not honoured.
25. **CATALOGUES:** Catalogues will only be available on a pre-paid basis.
26. **RESPONSIBILITY:** It should be distinctly understood by exhibitors and spectators at the Show that the Committee will not be responsible for the entire or partial loss or detention of or damage to dogs or any other property whether arising from accident or any other cause whatsoever or from any act of omission of themselves or their officers, servants, agents or others. Exhibitors and spectators will be held responsible for any damage to property or equipment within the environs of the Royal Welsh Showground caused by their children or children in their care. It is on this understanding that entries are accepted.
27. **SAFETY OFFICER:** A Safety Officer will be in attendance throughout the show. Exhibitors and spectators are reminded that just as South Wales Kennel Association has a responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid guy ropes,

uneven surfaces and other hazards which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and collapsible furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk if conditions are not ideal.

28. **DOG FOULING & GROOMING WASTE:** Any owner/exhibitor/handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
29. **MOBILE PHONES:** The use of mobile phone in the vicinity of the rings is prohibited.
30. **RING NUMBERS:** Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
31. **REGULATIONS F9 EXHIBITION OF DOGS:**
  - a) No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue including its environs, car park and caravan parks and approaches.
  - b) The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).

## DEFINITIONS OF CLASSES

For the purpose of Kennel Club Show Regulations, the term 'Variety Class' also applies to 'Stakes Classes'.

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class, i.e. **Friday, 19th August 2016**.

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value. A dog is not eligible for entry in Variety Classes (excluding AVNSC Classes) unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this Regulation are:

From 1st January 2015, and for a period of two years the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class have been suspended.

- (1) A puppy, unless a class for dogs under twelve months of age for which it is eligible is provided for the breed.
- (2) A dog in Any Variety Field Trial or Working Trial Class.
- (3) A dog in Any Variety Veteran Class.
- (4) A dog in Any Variety Champion Class.
- (5) A dog which is withdrawn from exhibition in breed classes as a result of the appointment of an emergency judge.
- (6) A dog in YKC Stakes Classes.
- (7) A dog in Good Citizen Scheme Classes.
- (8) Exhibits bred by the scheduled breed Judge.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(1) *Withdrawal*

The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.

(2) *Transfer*

- a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted, to the Open class for the correct breed, colour, sex, weight or height.
- b) If an exhibit is entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling class to the Open class for the correct breed, colour, sex, weight or height.
- c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
- d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

### DOGS UNDER SIX CALENDAR MONTHS OF AGE ON THE FIRST DAY OF THE SHOW ARE NOT ELIGIBLE FOR EXHIBITION

**MINOR PUPPY** For dogs of six and not exceeding nine calendar months of age on the first day of the Show.

**PUPPY** For dogs of six and not exceeding twelve calendar months of age on the first day of the Show.

**JUNIOR** For dogs of six and not exceeding eighteen calendar months of age on the first day of the Show.

**YEARLING** For dogs of twelve and not exceeding twenty four months of age on the first day of the Show.

**ANY VARIETY NOT SEPARATELY CLASSIFIED** For breeds of dog for which no separate breed classes are scheduled.

**YKC MEMBERS' STAKES** Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying stakes class. Dogs must be on the Kennel Club Breed register to compete in a YKC stakes competition. The first placed member only in each dog group at the qualifying show will qualify for Crufts. A rosette will be awarded. If the first placed member has already qualified at a previous show, the Crufts qualification will NOT roll down. If a member is disqualified, the qualification does not roll down to the next placing. All pedigree dogs are eligible to take part provided the dog is registered on the Kennel Club Breed Register. The dog must be registered; a. Solely or jointly in the member's name or b. In the name of a close member of the family and under these circumstances the dog must be resident at the YKC member's address. No substitute handlers are permitted – the dog must be handled by the registered YKC member. Members are not permitted to allow another individual to show their dog at the qualifier on their behalf if they are not able to attend the class, unless agreed by the YKC Office prior to the show. In certain cases members may be permitted, through permission from the YKC Office, to show a dog that is not registered in their name, the family name or registered at their address and must write into the YKC office for permission to show which will then go forward to a Management Meeting for approval. This must be approved by the Management Meeting before entering ANY qualifier and not after the member has qualified at a show. Members must be aged 6 -24 years (members 6 years and up to, but not including 25th birthday). Please note that membership of the YKC terminates on a members 25th birthday. Therefore if a member is aged 25 years or over by the first day of Crufts they will be unable to compete in any YKC class. Please keep this in mind when entering qualifiers throughout the competing year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions.

**YKC MEMBERS' HANDLING CLASSES** Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into an YKC qualifying class. Dogs DO NOT NEED to be entered into a breed class to participate in an YKC Handling class at a championship or open show. Any dog entered in handling only classes is not eligible to be shown in a breed/AVNSC/Variety/Stakes class at the show or compete for the Group, Best in Show or Best Puppy in Show. The FIRST placed handler only in each age group at the qualifying show will qualify for Crufts. A rosette is awarded to the first place winner. This is not a roll down competition. Handling qualifiers run from the 1st January to the 31st December for the following year's Crufts. If a member is disqualified, the qualification does not roll down to the next placing. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-16 years (12 years and up to, but not including 17th birthday); 17-24 years (17 years and up to, but not including 25th birthday). In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions.

**SPECIAL BEGINNERS** Neither dog, owner or handler to have won a CC.

**SPECIAL OPEN RACING/LURE COURSING** For Kennel Club registered Greyhounds which must also be registered with the N.G.R.C. or the N.C.C.
